6. Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8. Each tender should be accompanied by a Treasury Chellan noted above as earnest money paid to the Treasury to the credit of "Revenue Deposits."

9. The final acceptance of the tender will rest with the Superintending Engineer, Shimoga Circle, Shimoga. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10. The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11. The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional ten per cent on cost of the materials supplied from the Department will be charged as centage.

12. Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14. The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the P.W.D. with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15. The Department does not undertake the responsibility to supply lorries to the contractor.

16. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17. The work should not be sublet.

18. The contractor will have to make his own arrangements for water required for the work, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

The Name of tender should also be noted on the top of the cover.

Each tender must be accompanied by a treasury chellan for having deposited the required amount as noted against the work, as earnest money, under "Revenue Deposit." No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

The final acceptance of the tender will rest with the Executive Engineer, Superintending Engineer, or Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

The earnest money of the rejected tenders will be refunded, on application, only after any of the tender is received approved or two months after the receipt of tenders if the tender of the successful contractor has not been received approved.

Copies of estimates and plans can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the Schedule of Rates.

All over-writing and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

The contract should not be sublet.

The contractor should make his own arrangements for transportation of materials.

Only Chamundi brand cement must be used for the construction. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.
